We're sure that you'll find our materials to be just what you and your clients need.

Here's what to do if these materials don't meet your expectations for any reason.

- Give us a call at 1-800-428-5438 or email [buybooks@cfhc.org](mailto:buybooks@cfhc.org) within 30 days of the receipt of your shipment.
- We'll let you know how to get your credit or refund on materials you return to us in unmarked, salable condition.

### What about sales tax?

Only California residents need to pay sales tax.

- Use the rate for your county's sales tax.
- Figure out the tax based on the subtotal of your order – before you add shipping and handling charges.

### How do I use my discount coupon?

Here is how:

- Enter the coupon code in the box provided on the order form in order to receive your discount.
- Enter the amount on line 2 of the order form. Subtract this from your subtotal.

### What about shipping and handling?

Here are some helpful tips:

- Use the shipping and handling chart on the order form. Base it on the subtotal of your order, before you add the sales tax.
- Make sure you give us a street address. We can't ship to a PO Box.
- For shipments to Alaska, Hawaii, and outside the United States, please call for shipping fees.

Please allow 2 - 3 weeks for delivery with standard shipping. You can get your order more quickly for an added charge. Call us at 1-800-428-5438 and let us know you want us to rush your order!
